Winter Gala

March guest artist

Metal Art Expo

Looking ahead:

- *April guest artist*
- *Spring Fling Gala*

Thanks to our sponsors

Great Gala!

And a good time was had by all

Thanks to perfect weather, our Winter Gala-goers easily moved between the gift shop, the gallery and the sculpture garden. They also enjoyed a wide array of cheeses, cupcakes (thank you, Kreative Kupcakes!) while sipping on wine and listening to Bill Padilla and his guitar.

Thanks to everyone who came. We can't think of anyone we'd rather spend a February evening with than all of you.

A familiar face

When is a guest artist not really a guest? When it's Catitude Director **Bonnie Lewis!**

Our plans for a metal art-related guest artist fell through so we turned to Bonnie. And as strange as it may seem, we only have a couple of her pieces in the gallery.

If you aren't familiar with Bonnie's paintings, here's your chance! Her work will be on display through the end of the month.

Time to get heavy (metal, that is)

Come one, come all, big and small! Our **4th annual Metal Art Expo** will have something for everyone. It's from 10 – 5 p.m., Saturday, March 25.

We'll have metal artists and their creations throughout the gallery and sculpture garden. But that's not all, the robots will be back and hanging out in front of the gallery!

Plus, there will be vendor booths, welding demos, food for purchase, and live entertainment.

And the **Red Front**

Door Crafters will have all kinds of homemade foodstuffs and handmade craft items for sale on the gift shop patio!

Admission is FREE.

Circle March 25 on your calendar now so you don't miss out on all the fun.

And, our thanks to **Vern Lewis Welding Supply, Inc.**, for sponsoring the expo.

Coming up

A look into the past – The photos of J. W. (Jerry) Montgomery, April guest artist

Before digital photography, everything was captured and developed on film. Such was the world of the photographer, J.W. (Jerry) Montgomery.

We're pleased Jerry's son, Dr. Buck (of Dr. Buck Productions & Entertainment Company) has agreed to our featuring his late father as our April guest artist.

As you check out the photos (from April 4 – 22), keep in mind, they were captured by one man. One man who hiked 5-to-20 miles (and back again) to get the shot. All the while, he was lugging more than 40 pounds of camera equipment.

Joining forces - Guest Artist Reception and Spring Fling Gala

We're combining our Spring Fling Gala and our April Guest Artist Reception. It's all happening 5 – 8 p.m., Saturday, April 8.

We'll have food, music, fun and art! And, Dr. Buck will be here to share with you the stories behind his father's photographs.
